

On May 21st, 2019, President of the Canada China International Film Festival (CCIFF), Dr Miao Song, attended the Canada Festivals Reception held by Telefilm Canada during the 72nd edition Festival de Cannes. Presented by Telefilm Canada, organized by FIN Partners, the Canada Festivals Reception provides an opportunity for worldwide film and media professionals to achieve better knowledge about Canadian film and media industries. This event also exhibits the excellence of Canadian technology-enabled creative industries on the international platform with the contribution of Ontario Creates, Creative BC, Manitoba film and music, CMPA, Newfoundland & Labrador Film Development Corporation and the SODEC. As one of the important attending organisations in the Canada Festivals Reception, CCIFF aims to build platform for both Canadian and Chinese film industries, create opportunities for the film talents collaborative opportunities.
